

# We need your input!

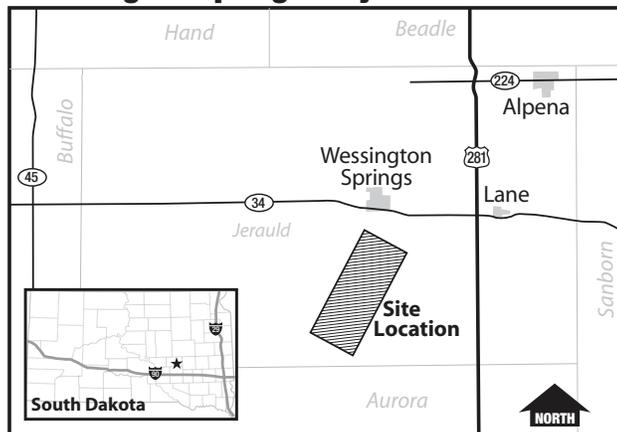

We need your comments to help us define the scope and alternatives for an environmental assessment on a proposal to build a wind energy facility in Jerauld County, South Dakota.

Western Area Power Administration will host a public scoping meeting to help define the scope of the Wessington Springs Wind Project Environmental Assessment. The meeting location is handicapped accessible.

Join us to learn more about this project and to share your ideas:

**5 to 8 p.m., May 17, 2007**  
**Jerauld County 4-H AG Building**  
**604 2nd St. NE**  
**Wessington Springs, SD**

## Wessington Springs Project: Site Location
